The member will have seven days after verified receipt to appeal the proposed involuntary termination to the Board. If dissatisfied with the Board's decision, the member may appeal to the general membership within 45 days. Involuntary termination may be initiated by the WSC Board for the following reasons:
 - i. Failure to comply with Army and Post Regulations and Policies.
 - ii. Failure to comply with WSC Constitution and Bylaws.
 - iii. Misuse of club property or equipment
 - iv. Theft of another member's personal property or theft of WSC property.
 - v. Any unwanted physical contact, aggressive posturing, or verbal threats of violence against any person while on WSC property.
- 2) Member complaints concerning the operations of the WSC will be brought to the attention of the WSC Board for resolution during any club meetings. The Board will be given a reasonable time to address any issues raised.
- 3) Although the primary member/boarder is responsible for the actions of his/her sub-boarder and/or shareboarder, any sub-boarder or shareboarder who leaves WSC without paying monthly dues or working/paying for missed workday will be denied membership until past financial obligations are met.

Section 10. POWER OF ATTORNEY (POA):

- a. The WSC member must submit the power of attorney (POA) under consideration, in its entirety, for review by every WSC Board member and agree to the release of the POA, in its entirety (social security number and birth date may be redacted), to the WSC membership if contested.
- b. The disposition of all POA arrangements that directly or potentially affect WSC will be addressed on a case-by-case basis. No permissions granted between the WSC member, and their agent is recognized or authorized prior to WSC Board review and approval by a majority (half plus one) vote of the WSC Board. WSC Board will rule on the submitted POA within 30 days of the WSC Board's acknowledgment of the POA submission by the WSC member.
 - 1) The WSC Board will disseminate its ruling to the entire membership within 24 hours of reaching a decision. A group e-mail to all WSC members that succinctly identifies the agent, WSC member, and authorizations granted is sufficient. Additionally, the ruling will be announced as new business at the next regularly scheduled WSC general membership meeting.
 - 2) Any WSC member in good standing may contest the WSC Board decision on any POA. Written contestation of the WSC Board decision should be submitted to the WSC Board within 30 days of the announcement of approval or denial of said POA. Contesting arguments and rebuttals will be presented to the WSC membership by the contesting member or their designated representative at the next regularly scheduled WSC monthly membership meeting as new business.
 - a) If member quorum is met, the contesting member may motion for an immediate vote at the conclusion of the discussion. Otherwise, a vote

will be conducted at the next regularly scheduled WSC membership meeting, with quorum met, as old business.

- b) An over-ruling of the WSC Board decision requires a majority (half plus one) vote of member quorum.
- c) The results of the membership vote on the disposition of POA authorizations is final.
- d) The initial WSC Board ruling on any POA stands while under contestation.
 - i. The principal member and their agent are expected to operate under the understanding that the WSC Board ruling may be overridden by a membership vote and plan accordingly.
- c. No POA will be recognized or authorized, by the WSC Board or WSC membership, to grant privileges at WSC to any agent that does not meet WSC membership eligibility criteria (Article II, Section 1). POA submissions deemed to be an effort to circumvent the WSC Constitution and Bylaws may be considered an action to disrupt the good order and discipline of the club. Such actions may be subject to disciplinary review (Failure to comply with WSC Constitution and Bylaws).
- d. No POA may authorize the transfer of WSC membership rights or privileges. Any agent that desires WSC membership must be eligible and submit their WSC membership application in accordance with WSC's Constitution and Bylaws. See letter dated 30 April 2015 regarding Power of Attorney. (Attachment 8)
- e. The WSC member with the approved POA is responsible for the conduct of their agent while their agent is on WSC grounds. Activities authorized to the agent are not transferrable to an appointee of the agent. Any violations of the WSC Constitution and Bylaws may affect the WSC member's status and may prompt reconsideration of the POA authorization. Reconsideration may be initiated by the WSC Board majority (half plus one) for the life of the POA. Any WSC member in good standing may contest reconsideration rulings. WSC reserves the right to ban WSC members and/or their agents if they cannot prove the legitimacy of their presence.
- f. POA authorization will be reviewed and revalidated annually by the incoming WSC Board. Review and revalidation will take place during the February Board meeting as new business. Revalidation of all active POA will be announced individually at the regularly scheduled March WSC membership meeting.
- g. POA authorization at WSC is withdrawn upon written request of the principal member or their agent or concurrent with POA expiration or membership termination.

RELEASE, HOLD HARMLESS, AND INDEMNIFICATION AGREEMENT

1. According to H R S § 663B-1, B-2, Hawaii is unique in how it treats liability for injuries incurred during equine activities. The relevant section provides that, in any civil action for injury, loss, damage, or death of an equine participant, there shall be a rebuttable presumption that the injury, loss, damage, or death was not caused by the negligence of an equine activity sponsor, equine professional, or their employees or agents, if the injury, loss, damage, or death was caused solely by the inherent risk and unpredictable nature of the equine. Liability is not limited by this statute where the equine professional knowingly provided faulty tack or equipment, failed to make reasonable and prudent efforts to determine the ability of the participant to engage safely in the equine or activity, owns or otherwise is in lawful possession of the land or facilities upon which the participant sustained injuries because of a known, dangerous latent condition, or if he or she commits an act or omission that constitutes willful or wanton disregard for the safety of the participant or intentionally injures the participant.

2. In consideration of my voluntary participation in an equine activity at WSC, I understand and agree to the following:

- a. Such equine activity has certain inherent risks, including but not limited to a horse's propensity to act in ways which can cause injury, harm or death, a horse's reaction to sudden sounds or movement, the existence of certain hazards such as surface and subsurface conditions, and the possibility of collision with other objects.
- b. Appropriate safety equipment will be always worn (children under the age of 18 years are required to wear ASTM/SEI approved helmets while riding a horse at Wheeler Saddle Club; additionally, all riders will wear ASTM/SEI approved helmets when jumping a horse).

3.
